Title : DEPILATORY COMPOSITIONS, THEIR PREPARATION AND  
USE

DECLARATION RE INVENTOR ANNICK CANELAS

I, Amanda J. Wilde, declare as follows:

1. I am the formalities and records manager in the Group Patents Department of Reckitt Benckiser plc and, among my responsibilities, is the task of ensuring that documents relating to patent applications are properly signed by the inventors, when necessary.
2. The Group Patents Department of Reckitt Benckiser plc handles virtually all of the formalities involved in obtaining patent protection for the inventions owned by the Reckitt Benckiser group companies including, specifically, the assignee of the above-noted application, Reckitt & Colman France (now, by change of name, Reckitt Benckiser France).
3. Previous attempts to obtain a combined declaration and power of attorney from Annick Canelas were unsuccessful. These attempts were documented as Exhibits C and F attached to my declaration of 16 March 2001 which was filed herein on 19 March 2001.
4. On 3 October 2001, I again wrote to Ms. Canelas and asked her to sign another combined declaration/power of attorney for this application. Attached as Exhibit I-1, are copies of my letter dated 3 October 2001, of the Combined Declaration/Power of Attorney, and of a UPS waybill showing

that these documents were sent to Ms. Canelas on 3 October 2001.

5. Attached, as Exhibit I-2 is a copy of a UPS tracking detail for this package showing that it was delivered on 11 October 2001 and signed for by the "doyen" of the apartment building in which Ms. Canelas lives.
6. I was not certain that Ms. Canelas had actually received the package and, therefore, Ms. Christelle Leboucher-Madec, an assistant in the Legal Department of Reckitt Benckiser France, was asked to follow up with Ms. Canelas. Ms. Leboucher-Madec spoke with Ms. Canelas who acknowledged that she had received the declaration but that she would not sign it.

I declare that all statements made herein of my knowledge are true and all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001 and that such willful false statements may jeopardize the validity of this application or any patents issuing thereon.

Signed at Kingston upon Hull, England, this 18 day of February, 2002.

  
Amanda J. Wilde
